Title: Letter of Appreciation

Date:06/06/2021

**TO WHOMSOEVER IT MAY CONCERN**

This is to be certified that **YASH SHARMA S/O MR GANESH Sharma** has completed **his** internship for **MERN STACK DEVELOPMENT** from **December 21, 2020 to May 05<sup>th</sup>, 2021** successfully.

**Yash** is a sincere, honest, dedicated developer & and have a good experience in MERN Stack development. **he** has a good knowledge in Node Js, React Js, Mongo Db, Couch DB, supabase, PostgreSQL, aws-lambda and API gateway. and some other libraries like Material UI, Redux, JSON Forms etc.

**Yash** always completed the assigned task in or before time in an efficient way.

**Yash 's** Job role are as below:

1. Working on Two Project (JSON Form KYC and Shnipp - B2C Marketplace)
2. Developing REST Full APIs from the given Swagger Definition on Express. Js and Serverless framework in AWS using Lambda function, API Gateway, SNS, SES, Event bridge etc.
3. Testing the APIs and fixing the bugs throughout the development
4. Working on the Admin panel of both applications using React JS
5. Reporting the work, on daily basis in the channel / JIRA

I wish best of luck for **his** future.
